

# Documenting Role, Consultants and Service Providers

In order to document roles and their responsibilities, complete the table below. Fiduciaries should be monitored periodically to ensure they are adhering to the responsibilities allocated to them and meeting those standards identified in the chart. The chart should be updated whenever there is a change in roles or their responsibilities.

| Role                                 | Name/Organization/Title | Documented Responsibilities   |
|--------------------------------------|-------------------------|---|
| Board Of Directors                   |                         | <input type="checkbox"/> Establish Retirement Committee<br><input type="checkbox"/> Select Fiduciaries of Plan<br><input type="checkbox"/> Create Committee Charter |
| Retirement Committee                 |                         | Committee Charter or Resolution   |
| Plan Administrator (internal)        |                         | Plan Document   |
| Investment Manager (if applicable)   |                         | Advisory Agreement  |
| Consultant (Plan Level)              |                         | Engagement or Advisory Agreement  |
| Consultant (Participant Level)       |                         | Advisory Agreement  |
| Service Provider                     |                         | Service or Equivalent Agreement   |
| Other (Auditor, Attorney, CPA, etc.) |                         | Engagement or Equivalent Agreement  |
